Thanks in part of Jr League book "Here Today", 1st ed.

Was built ca 1878 and was the first U.S. Coast Guard  
Station house at Fulton St. and Grant Highway.

My father bought it in 1923 and moved it to the present  
site; he was a fireman at that station.

When it was adapted for residential use we discovered  
that it had <sup>outer</sup> walls with horizontal, vertical and diagonal  
siding, i.e. 3 thickness.
